|  |  |

Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

<sup>1</sup> A '\*' following a place name indicates that the place is coterminous with a MCD. A 'x' indicates that the place is also a false MCD; the false MCD number is not shown.

<sup>2</sup> A '\*' following a block number indicates that the block number is repeated elsewhere in the block.

Figure 1 displays various map symbols and their corresponding labels. The symbols are arranged in two columns. The left column includes: Highway (double line), Secondary Road (single line), Jeep Trail/Roadway/Ferry (dashed line), Railroad (line with cross-ticks), Military (blue dotted area), Pipe/Power Line (line with cross-ticks), Ridge/Physical Feature (line with triangles), Property/Fence Line (line with dots), and Nonvisible Boundary (dashed line). The right column includes: Stream/Shoreline (blue line), Intermittent Stream (blue line with wavy dashes), River/Lake (blue area), and Glacier (blue area with wavy lines). Each symbol is shown with its label above or below it.

Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

1. **P** following a place name indicates that the place is coextensive with an MCD. **P** indicates that the place is also a false MCD; the false MCD is not shown.
2. **A** \* \* following a block number indicates that the block number is repeated elsewhere in the block.
